

MISCHIEF MOTIVATION ATTITUDE

## CITY

Pursuit is like a car rally but on foot,  
and the CBD is rally ground.

## PURSUIT

You have \$50 and a public transport day pass. Working in small teams you need to work your way in and around the CBD and surrounding areas to the designated locations. The locations are a surprise and are handed to the teams just before they depart... Each team needs to plan its journey, make their way to each location and then to the final destination before the time elapses.

The locations are provided by satellite imagery only! Teams need to use prominent landmarks and the compass provided to work out where they are and where they need to go.

Available for all Australian Capital Cities, many regional areas and conference venues.

## OUTCOMES

- ★ SHOWCASE THE LOCAL AREA AND ITS LANDMARKS
- ★ GENTLE EXERCISE WITHIN A TEAM FRAMEWORK
- ★ PLANNING AND CLEAR THINKING
- ★ A GREAT ADVENTURE IN THE GREAT OUTDOORS.
