MOVIE MADNESS

Movie Madness is a dinner or after dinner activity based on famous characters, situations and lines from great movies of the past 20 years.

WHAT ACTUALLY HAPPENS?

We take you through an imaginary journey through 6 different movie studios or sections. Each studio tests your teams knowledge of images, dialogue, soundtracks and characters.

Your key objective is to score as many points as possible at every studio you enter. The team that finishes with the highest number of points will win...

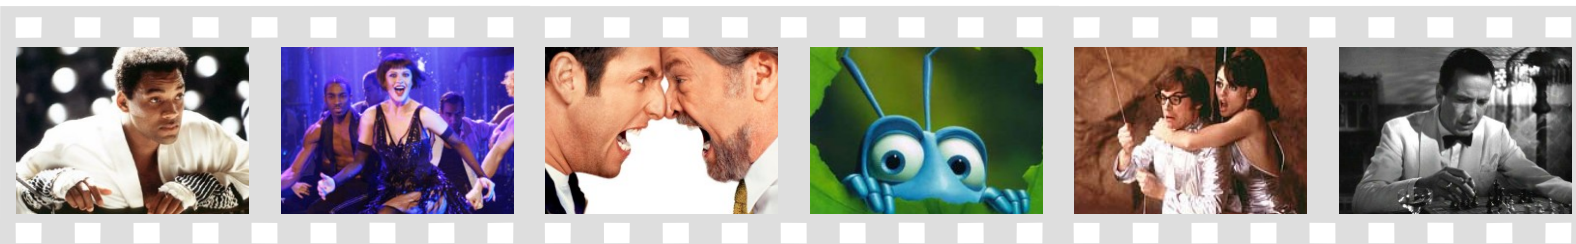

If you are a lively group, you may also need to overcome obstacles and diffuse dilemmas both at your table and around the room.

How well do you know your movies?
How far will you go to find a clue?
